

## Support and Services Group

Do you care about the support and services people with learning disabilities get in Kingston?

Are you someone who likes to have a say and speak up for people?

Would you be able to come to a meeting every six weeks?

If you have answered yes to all three, then you might be interested in being part of this group and having a say

The groups job is to make sure that there are good plans and services in Health and in the Council for people with learning disabilities in Kingston.

You will be paid for meetings you come to.

If you would like to find out more please contact me by email or by telephone
